Local help for Nebraskans
with Medicare

The December 7, 2021 deadline to get your Medicare Part D Drug plan review done is coming up fast. It only takes about 10 minutes to check to see if you still have the best drug plan or if you can save money by changing plans. Please take the time to do this each year.

I have had many questions about the constant commercials you are seeing and mailings you are receiving regarding Medicare Advantage plans. If you listen closely or read the fine print it says "you may be eligible for benefits based on your zip code." This means that not all the benefits they are mentioning may be available in Nebraska or Red

Willow County. These are national ads and they make it sound really good. I would encourage anyone who is interested in a Medicare Advantage Plan to please check into them and not just go off what you hear on the commercials. I encourage you to do some research and make sure you understand how they work before enrolling into one. They work very differently from the traditional Medicare and Medicare Supplement. If you do decide to try out the Advantage Plans available in Red Willow Co, remember you have up to 12 months to change your mind and go back to your supplement without having to pass underwriting. After a year if you want to go back you will have to be able to pass underwriting. If you have questions, just call me at 345-1760.

INCLEMENT WEATHER POLICY

Please listen to KICX, KIOD, or NTV for announcements on the Senior Center, Public Transit and Home Delivered Meals being cancelled. Our policy is if McCook Public Schools are closed due to bad weather, then we will be closed. If McCook Public Schools are delayed the Senior Center and Public Transit will operate with normal hours. If travel becomes hazardous during the course of the day due to bad weather, the activities may be canceled for the remainder of the day. If this occurs, all transit passengers will be driven home.

No passengers will be left stranded.

Thanks for getting into the spirit of things
and dressing up for Halloween.

VOLUNTEERS

I am looking for volunteers who would be willing to work with elementary students once a month. Some of the ideas are to teach them how to sew on a button, maybe make a beanbag, hammer a nail, maybe make a small box, write a thank you, set a table and anything else we can come up with. Let me know if you would be interested
